Office Payment Policy

As part of our commitment to offer excellent medical and professional care to you and your family, we would like to present our office payment policy in order to minimize misunderstandings about fees. Our fees and methods of payments are similar to other Obstetricians and Gynecologists in the area. We ask for payment at the time of service. This includes payment for the office visit and any tests that are performed. We commonly require payment at the time of check-in.

Please note that any laboratory tests, which require an outside lab company to perform, will be billed separately by that company if applicable.

As a courtesy, we will file all applicable office and hospital charges with your insurance carrier. By your signature below, you authorize and request that insurance payments be made directly to Mid-City OB-GYN, P.C. However, you are ultimately responsible for all charges. We advise that you familiarize yourself with the benefits of your plan. Prior to any procedure, we will assist you in determining your portion of the bill. This usually includes any un-met deductible, co-payment and co-insurance, which are to be paid prior to the procedure. We accept cash, checks, Master Card, Visa and Discover. We also offer Care Credit for installment payments so just ask us today for an application.

We are providers for several HMO and PPO plans. You are responsible for your co-payment, deductible, or other non-covered services as set by your insurance carrier. Co-payments and deductibles are collected at the time of service. **If your insurance carrier requires a referral number to receive services from our office, it is your responsibility to contact your Primary Care Physician to obtain the number prior to your office visit.**

This policy is offered in an attempt to develop and sustain a continued professional and pleasant relationship. Your cooperation is greatly appreciated.
